10. (Confidential - GLC) Wilkey Donaldson, OMB, called with reference to our conversation yesterday and said he had prepared a Memo of Conversation which would cover their contact with Senator Ted Stevens on the Federal Mapping Task Force Report. He asked if I would look over it and make any corrections I thought necessary.

11. (Secret - GLC) Met with Guy McConnell, Senate Appropriations Committee staff, and reviewed with him the background of the correspondence from Senator James Abourezk to AID some months ago on the subject of police training and the Senator's recent letter to the Director on this subject. I left with McConnell a copy of the Director's reply to Abourezk which indicates we are keeping our Committees informed on activities having any possible relationship to the subject of Abourezk's inquiry.

25X1A I also brought McConnell up-to-date on a number of other items including the [REDACTED] our dealings with Senator Baker and the Ervin Committee staff (including a rundown on the subject of the tapes which appeared in news media last night and this morning), a briefing
25X1A on the [REDACTED] case and recent Soviet activity in the ICBM field.

We discussed Senator Proxmire's recent release about congressional oversight of the Agency and McConnell said that while Proxmire's statement had not been given much press play, he felt Chairman McClellan is going to have to figure out a way of coping with Proxmire on this matter.

McConnell asked if I knew whether our salary increase money would be in the supplemental appropriation bill as it came to the Congress or whether it would have to be added by the Committees. I told him I felt certain the money would be included in the supplemental request but I would check on this and let him know.

12. (Confidential - GLC) Met with David Martin, Senate Internal Security Subcommittee staff, and provided him with some background material he could use in coping with inquiries they have recently received regarding circumstances surrounding the death of [REDACTED] (This material
25X1A had been prepared by [REDACTED])

13. (Internal Use Only - RJK) Delivered to the offices of Senators Strom Thurmond (R., S. C.), Howard H. Baker (R., Tenn.), Wallace F. Bennett (R., Utah), Paul J. Fannin (R., Ariz.), James Abourezk (D., S. Dak.) [REDACTED] items in which their names were mentioned.
